

Model	Description
PADLATTRKIBD	Replacement stainless steel, full size 1 pt. slam latch.

Model	Description
LTADS BDY	Stainless steel 3-Point dead bolt locking "D" ring latch. (Optional)

Model	Description
LTATS BDY	Stainless steel 3-Point dead bolt locking "T" handle latch. (Optional)

Model	Description
LTARS SLBDY	Replacement stainless steel, rotary latch for service body doors - Vertical, Horizontal, & RFC

Canopies and teletops cannot have the rotary latch, however, they will have the standard paddle latch with the rotary lock cylinder and key to match the service bodies.

Replacement rotary latches include latch and striker packages. The welded striker mounting bracket is sold separately.

Consult factory for special part numbers for T handle & D ring latches to be installed on any service body option.
